Candidate: Dhurata Thaqi-Fondaj from Prishtine

Topic of the Master Thesis: Teaching methods or approaches in teaching EFL; different methods
or approaches that are applied at primary schools in Kosovo

Name of the Mentor (proposal): Qatip Arifi, PhD

Short description of the thesis:

Considering the fact that English is an International Language; I strongly believe that it is very important to discuss about teaching methods in EFL, especially by focusing on methods that are applied at primary schools in Kosovo, because this is the time when students build and strengthen their foreign language foundation.

Wilga M.Rivers, in her book: A Practical Guide to the Teaching of English as a Second Language emphasizes the importance of EFL teachers as in the following: "As teachers of English to students who are already accustomed to using a different language, we must not become discouraged. Our task is certainly not an easy one. We rarely see the fully developed product of our labours – the autonomous, confident speaker of English – although we will often be rewarded by
