

1. Identify what phrases the underlined structures are and draw tree diagrams to the grammar level:

Too many students of science subjects

a mile ahead from here

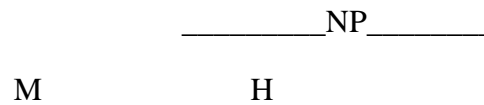

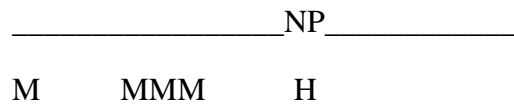

Do not often come out of their place

just in the way you can

Very early in the morning

by the end of the next month

2. Make a tree diagram to each of the noun phrase structures:

3. Indicate: a) what phrase the underlined structure is, and b) which word is its headword.

1a. rather stupid to come out of that problem:      a. NP... b. VP... c. AdjP... d. AP... e. PP...
